We welcome the opportunity to care for your pet while you are away. The following recommendations must be adhered to for your pet's health and safety, as well as all other animals staying in our clinic. Thank you.

**We prefer usage of the Clinic's towels/blankets/dishes etc., to keep your pet comfortable. We launder on a daily basis. Should you choose to bring anything from your home (i.e., toys, bedding, leashes) we will not be responsible for the loss or damage of these items.**

Boarding fees include the feeding of Clinic provided Royal Canin or Science Diet foods. Should your pet require a specific diet or you would like his or her own brand of food fed, we prefer that you bring this from home. The boarding rate remains the same if home food is provided. Our feeding schedule is typically twice daily in the morning and evening.

All animals entering the clinic must have written proof of vaccine status and be free of external parasites or they will be vaccinated/treated at the owner's expense.

Vaccine requirements are as follows:
